CookTop Wagener Stove

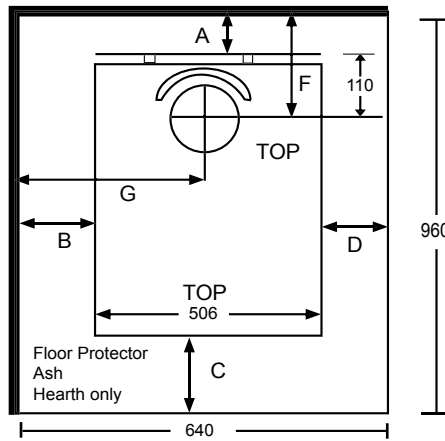

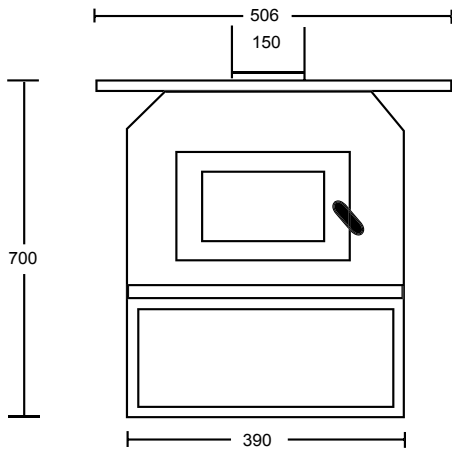

The **CookTop** Wagener Stove is a compact, robust and very affordable woodfire with a solid history of performance. Its deep brick lined firebox can accommodate large logs for excellent heat output and long burn times, while the wood box base offers a practical storage area for firewood. In addition, the stove top provides a large cooking surface and when fitted with a "Lion" wetback the **CookTop** Wagener Stove will also heat your hot water.

Features include:

- Modern clean burning technology
- Solid 5mm steel construction
- Deep brick lined firebox
- Wood storage base
- Removable baffle for easy cleaning
- Large Cooktop surface
- One simple air control
- Low rear clearance
- Ash hearth only
- Optional "Lion" Wetback for hot water
- Available in Matt Black
